The workshop was organised with an aim of spreading awareness of self-hygiene within the budding young females. In pursuance of UGC (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015 read with Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Antiwomen Harassment Committee (ICC) of GF's Godavari College of Engineering, Jalgaon is constituted.

Any female aggrieved in this matter may fearlessly approach the Chairman of the ICC against sexual harassment.

With the objective of generating awareness on Gender related issues and raising sensitization on the provisions of the Sexual Harassment of Woman at Workplace, awareness programme to observed Discrimination against Women's Pakhwada from **25/11/2022 to 10/12/2022** was organized by GF's GCOE, Jalgaon

The awareness programme was inaugurated by Dr. Vijaykumar Patil, Principal GF's GCOE, Jalgaon. Dr. Nayana Arun Zope (Ph.D., LL.B, LL.M, NET in Law) Assistant Prof. in Dr. Ulhas Patil Law College, Jalgaon, Mrs. Bharati Kumawat (M.A., LL.B.) and Prof. Ravindra Janjale were the resource persons in the programme.

In inaugural address Dr. Vijaykumar highlighted the importance of generating awareness on issue of the sexual harassment at workplaces and the requirement of gender sensitization for both men and women.

He also guided girls about the importance of self-defence. While teaching various tricks and methods of hands and legs, coach said, you can use your hands as weapons. He taught to girls that how they should protect themselves in difficult situations.

This awareness program was ended by celebrating Human Rights day on 10th December, Prof. Bharati Kumawat addressed on topic “Gender Sensitization and Human Rights” and described Gender Sensitization as a stepping stone towards the construction of a socially balanced society and underpinned the importance of creating a gender sensitive environment for establishing and maintaining healthy as well as safe performance oriented work culture. She also told that the human rights day basically plays a role in supporting, celebrating, and motivating the rights of a human being related to this awareness program. Today the world that we live in is divided by so many opinions and discriminations against gender, race, caste, and religion. The ones who are at the brunt of the receiving end of this harshness are the innocent children. Every child and human being deserves equal treatment in any room they enter regardless of their ethnicity or gender.
