GODAVARI HACKATHON 1.0 on 14-05-2026

**GODAVARI FOUNDATION'S
GODAVARI COLLEGE OF
ENGINEERING, JALGAON
PRESENTS
GODAVARI
HACKATHON 1.0**

24 HOURS OF INNOVATION. LIMITLESS POSSIBILITIES.

MAY 14 - 15, 2026 | GF's Godavari College of Engineering, Jalgaon

ELIGIBILITY: B.TECH STUDENTS ONLY

24 HOURS INTENSE CODING | **INDUSTRY MENTORSHIP** | **ATTRACTIVE PRIZES** | **CERTIFICATES & RECOGNITION** | **FREE FOOD & ACCOMMODATION** | **PITCH TO EXPERT JURY**

DOMAINS: SMART CITY, HEALTHCARE, AGRICULTURE, EDUCATION

PRIZES WORTH: 1ST PRIZE ₹15,000/-, 2ND PRIZE ₹10,000/-, 3RD PRIZE ₹5,000/-

REGISTER HERE (QR CODE) | **SCAN TO REGISTER**

REAL-WORLD PROBLEM STATEMENTS ACROSS ALL DOMAINS!
[VISIT FOR MORE DETAILS](http://www.gfgcoe.ac.in/Event/?id=17)

IMPORTANT DATES:
Registration Opens: 16 April 2026
Registration Closes: 26 April 2026
Shortlisting Begins: 27 April 2026
Announcement of Shortlisted Teams: 30 April 2026
Hackathon Date: 14 - 15 May 2026
Award Ceremony: 15 May 2026

REGISTRATION FEES: ₹1000/- PER TEAM (TEAM SIZE: 2 - 4 MEMBERS)

WHY PARTICIPATE?
✓ Solve real-world problems
✓ Learn, build & innovate
✓ Network with like-minded peers
✓ Win exciting prizes
✓ Get recognized!

FACULTY COORDINATORS: Prof. Harshel Patil (8149852537), Prof. Rohit Nemade (9596629141), Prof. Mayur Thakur (9075583542), Prof. Trushali Shimpi (8380833295)

STUDENT COORDINATORS: Nitesh Patil (CESA) (9637080703), Mayur Koli (MESA) (9130238463), Pranav Thorat (TESA) (8208342101), Sarang Patil (EESA) (7249220699), Prerena Patil (AESA) (7769991699)

INNOVATE. BUILD. IMPACT.
Be the change. Build the future.

GODAVARI HACKATHON 1.0 HIGHLIGHTS:

- HEALTHCARE
- SMART CITY
- AGRICULTURE
- EDUCATION

EVENT SCHEDULE:

Event	Date
Registration Opens	16 April 2026
Registration Closes	26 April 2026
Shortlisting Begins	30 April 2026
Announcement of Shortlisted Teams	30 April 2026
Inauguration & Opening Ceremony	14 May 2026
Hackathon Begins	14 May 2026
Hackathon Ends	15 May 2026
Award Ceremony & Closing	15 May 2026

REGISTRATION:

<https://forms.gle/gQz5HNoJYdgg2oWq5>

THE REGISTRATION FEES IS ZERO

For More Information:

<https://www.gfgcoe.ac.in/Event/?id=17>

EVENT FORMAT & LOGISTICS

Participants are required to complete check-in at least two hours before the event begins. Outstation participants may arrive one day prior, with prior approval from the organizing committee. Meals and accommodation will be provided free of cost by GF's GCOE, Jalgaon. The hackathon will follow a structured timeline, including mentorship, coding sessions, and final presentations.

RULES:

1. All participants must complete registration through the provided Google Form link before the registration deadline.
2. Each team must consist of a minimum of two (2) and a maximum of four (4) members. All participants must be enrolled in a B.Tech program.
3. No changes in team composition will be allowed after registration.
4. A participant can be a member of only one team throughout the hackathon.
5. Projects must strictly align with the given themes or problem statements.
6. Teams will be shortlisted based on their submitted profiles and project idea abstracts for screening purposes.
7. Participants must ensure that their submissions do not violate any intellectual property rights, including copyrights, patents, trademarks, or privacy laws.
8. External support for project conceptualization, design, or execution is strictly prohibited and may lead to disqualification.
9. Plagiarism or the use of pre-built projects developed prior to the hackathon will result in immediate disqualification.
10. Each team must present their project to the judging panel according to the prescribed presentation guidelines.
11. The decisions made by the judges and organizers regarding evaluation, rules, and final results will be considered final and binding on all participants.

JUDGING CRITERIA

1. **Creativity & Novelty:** Assesses originality and innovative problem-solving.
2. **Technical Quality:** Evaluates code standards, system design, and technology usage.
3. **Relevance & Impact:** Measures real-world applicability and potential impact.
4. **Performance & Viability:** Reviews functionality, scalability, and feasibility.
5. **Presentation & Teamwork:** Assesses clarity of presentation and team coordination.

Low-Cost Electric Scooter Innovation by Final Year Mechanical Engineering Students

कमी किमतीच्या पर्यावरणपूरक ई-स्कूटरची निर्मिती

जळगाव, ता. २ : येथील गोदावरी अभियांत्रिकी महाविद्यालय अंतिम वर्ष यांत्रिक अभियांत्रिकी शाखेतील विद्यार्थ्यांनी कमी किमतीची, केवळ २८ हजारताील पर्यावरणपूरक इलेक्ट्रिक स्कूटर तयार केली आहे.

'डिझाइन अँड फॅब्रिकेशन ऑफ इलेक्ट्रिक स्कूटर' या शीर्षकाखाली भाग्यश्री विसपुते, नीरज हिंगणे, वैभव पाटील, सुमेध देशमुख, योगेश पाटील व भूपेश पाटील या अंतिम वर्षाच्या विद्यार्थ्यांनी हा प्रकल्प तयार केला असून, कमी खर्चात ही ई-वाईक विकसित करण्यात आली आहे.

अशी आहेत वैशिष्ट्ये

ही ई-वाईक २५ किमी/तास इतकी कमाल वेगाने धावते आणि एकदा चार्ज केल्यावर ३०

'गोदावरी अभियांत्रिकी'च्या विद्यार्थ्यांचा उपक्रम

जळगाव : गोदावरी अभियांत्रिकीच्या विद्यार्थ्यांनी साकारलेल्या पर्यावरणपूरक ई-स्कूटरसह विद्यार्थी व प्राध्यापकवृंद.

किमी अंतर पार करू शकते. ही गाडी प्रदूषणमुक्त व देखभाल सुलभ असून,

शहरी भागातील लहान अंतरासाठी उपयुक्त आहे. या प्रकल्पात सोपी व

खर्चिकटदृष्ट्या फायदेशीर रचना तयार केली आहे. या ई-वाईकचा डिझाइन

सीएटीएआय या सॉफ्टवेअरचा वापर करण्यात आला असून, त्यानंतर डिझाईनचे सिम्युलेशन करून प्रत्यक्ष फॅब्रिकेशन करण्यात आले. विशेष म्हणजे, या स्कूटरसाठी लागणारी बॅटरी युनिटदेखील विद्यार्थ्यांनीच तयार केली असून, त्यात ६००० एमएच क्षमतेच्या लिथोनियम आयन सेलचा समावेश आहे, आणि ही युनिट यशस्वीरित्या चाचणी घेतल्यानंतर वापरण्यात आली आहे. महाविद्यालयाचे प्राचार्य डॉ. विजयकुमार पाटील, प्रा. तुषार कोळी, प्रा. किशोर एम. महाजन यांचे मार्गदर्शन अत्यंत मोलाचे ठरले. या प्रकल्पाबद्दल संस्थेचे अध्यक्ष डॉ. उल्हास पाटील, सचिव डॉ. वर्षा पाटील, सदस्या डॉ. केतकी व डॉ. वैभव पाटील, डॉ. अनिकेत पाटील यांनी कौतुक केले आहे.

Jalgaon, Jalgaon-Today
03/07/2025 Page No. 4

A big achievement by final-year Mechanical Engineering students of GF's Godavari College of Engineering! Our talented students have successfully developed a low-cost, environment-friendly electric scooter built at just ₹28,000. This project stands as a shining example of practical engineering skills combined with sustainable thinking. The scooter, created as part of the project "Design and Fabrication of Electric Scooter," was designed and assembled using customized components and locally available materials. It delivers a range of 30 km per charge and reaches a top speed of 25 km/h, making it ideal for short city commutes.

Highlights

- Affordable & Sustainable
- Compact Design for City Use
- Battery Unit Assembled In-House
- Powered by a BLDC Motor & 6000 MAh Battery Cells
- Developed using 3D Modelling and Simulation Tools

Team Members

- Bhagyashri Vispute
- Niraj Hingane
- Vaibhav Patil
- Sumedh Deshmukh
- Yogesh Patil
- Bhupesh Patil

Inspiration and Guidance By

- Dr. Vijayakumar Patil (Principal)
- Prof. Tushar Koli (HOD, Mechanical Engineering)
- Prof. K. M. Mahajan

Godavari College of Engineering takes pride in nurturing talent and encouraging sustainable innovations. This student-driven project is a perfect blend of creativity, technical skill, and eco-consciousness.

२२ जुलै २०२५
पंडित दीनदयाल उपाध्याय रोजगार मेळावा

गोदावरी अभियांत्रिकी महाविद्यालय येथे #पंडित_दीनदयाल_उपाध्याय_रोजगार_मेळावा यशस्वीरीत्या पार पडला.

दि. २२ जुलै २०२५ रोजी जिल्हा कौशल्य विकास, रोजगार व उद्योजकता मार्गदर्शन केंद्र आणि गोदावरी अभियांत्रिकी महाविद्यालय यांच्या संयुक्त विद्यमाने पंडित दीनदयाल उपाध्याय रोजगार मेळावा भव्य उत्साहात संपन्न झाला.

स्थळ : गोदावरी अभियांत्रिकी महाविद्यालय, पी-५१, एम सेक्टर, अतिरिक्त एम.आय.डी.सी., भुसावळ रोड, जळगाव
वेळ : सकाळी १०.०० ते दुपारी ३.००

या मेळाव्यात नामांकित कंपन्यांमध्ये “On Spot Job Interview” द्वारे नोकरीच्या संधी उपलब्ध करून देण्यात आल्या तसेच रोजगारक्षम कौशल्य प्रशिक्षणाच्या संधीही देण्यात आल्या.

मोठ्या संख्येने तरुण-तरुणींनी या रोजगार मेळाव्यात सहभाग घेऊन उज्वल करिअरकडे पहिले पाऊल टाकले.

We are proud to announce that the hardworking students of the Electrical Engineering Department at GF's Godavari College of Engineering have secured industry internships at MASS TECH CONTROLS

Educational Visit to JNPT Port on 31/07/2025

Students of AIML (Artificial Intelligence & Machine Learning) from Godavari Polytechnic embarked on an educational visit to JNPT Port, one of India's largest and busiest ports.

The second-year AIML students gained first-hand exposure to large-scale logistics operations, smart port technologies, and real-time data applications in the maritime industry through this enriching industrial visit.

Student Placement Achievements

01/08/2025

We are proud to announce that Er. Nikita Baviskar, a talented student of Computer Engineering from Godavari College of Engineering, has been selected by Accenture.

04/08/2025

We are proud to announce that Vijay Patil, a student of E&TC Engineering, Batch 2025 at Godavari College of Engineering and Polytechnic, has been successfully selected by AVQUINT.

05/08/2025

We are delighted to share that Er. Mayur Patil, a Computer Engineering student, has been successfully placed at Infosys, one of India's leading IT companies.

गोदावरी अभियांत्रिकी महाविद्यालयाला यूजीसीकडून स्वायत्त दर्जा प्राप्त

अभिमानाचा आणि ऐतिहासिक क्षण!

गोदावरी अभियांत्रिकी महाविद्यालय यास विद्यापीठ अनुदान आयोग (UGC) कडून वर्ष 2025-26 ते 2029-30 या पाच वर्षांसाठी स्वायत्त महाविद्यालयाचा दर्जा प्रदान करण्यात आला आहे.

ही मान्यता यूजीसी स्थायी समितीच्या बैठकीत देण्यात आली. महाविद्यालयाच्या शैक्षणिक गुणवत्तेचा, भक्कम पायाभूत सुविधांचा, अनुभवी व उत्कृष्ट प्राध्यापकवर्गाचा तसेच नाविन्यपूर्ण शिक्षण पद्धतीचा सखोल आढावा घेतल्यानंतर हा स्वायत्त दर्जा बहाल करण्यात आला आहे.

या स्वायत्त दर्जामुळे महाविद्यालयाला नवीन अभ्यासक्रम रचना, उद्योगाभिमुख व कौशल्याधारित शिक्षण, तसेच विद्यार्थ्यांसाठी अधिक गुणवत्तापूर्ण आणि आधुनिक शिक्षण पद्धती राबविण्याची संधी उपलब्ध होणार आहे.

जळगाव सिटी 06-08-2025

गोदावरी अभियांत्रिकीला यूजीसीकडून स्वायत्त दर्जा

प्रतिनिधी | जळगाव

गोदावरी फाउंडेशनच्या गोदावरी अभियांत्रिकी महाविद्यालय या संस्थेला विद्यापीठ अनुदान आयोगाकडून वर्ष २०२५-२०२६ ते २०२९-२०३० या पाच वर्षांसाठी स्वायत्त महाविद्यालयाचा दर्जा बहाल करण्यात आला आहे.

२३ जुलै २०२५ रोजी यूजीसी स्थायी समितीच्या बैठकीत ही मान्यता देण्यात आली. यावेळी महाविद्यालयाच्या शैक्षणिक गुणवत्ता, भक्कम पायाभूत सुविधा, अनुभवी व उत्कृष्ट प्राध्यापकवर्ग आणि नवोन्मेषी शिक्षण पद्धतीचा सखोल आढावा घेण्यात आला. स्वायत्त दर्जा प्राप्त झाल्यानंतर महाविद्यालयाला नवीन अभ्यासक्रम रचना, उद्योगाधारित कौशल्यकेंद्रित शिक्षण, स्वतः परीक्षा घेण्याची मुभा आणि विद्यार्थ्यांच्या गरजांनुसार नाविन्यपूर्ण शिक्षणपद्धती अमलात आणण्याचा अधिकार मिळेल. तथापि, महाविद्यालय हे

डॉ. बाबासाहेब आंबेडकर तंत्रशास्त्र विद्यापीठ, लोणेरेशी संलग्न राहणार आहे. प्राचार्य डॉ. विजयकुमार पाटील यांनी सांगितले की, स्वायत्ततेचा दर्जा मिळणे ही शैक्षणिक उत्कृष्टतेची मान्यता असून, यामुळे उद्योगानुसार अभ्यासक्रमात तत्काळ सुधारणा करू शकतो. हे पाऊल आमच्या विद्यार्थ्यांना जागतिक स्तरावर स्पर्धात्मक बनवेल. महाविद्यालयाच्या प्रशासन, प्राध्यापकवर्ग, शिक्षकेतर कर्मचाऱ्यांच्या प्रयत्नांमुळे ही उपलब्धी शक्य झाली आहे. महाविद्यालय आता संशोधन, स्टार्टअप इन्क्युबेशन, ग्लोबल सहकार्य आणि कौशल्याधारित शिक्षणामध्ये अधिक विस्तार करण्याच्या दिशेने वाटचाल करणार आहे. गोदावरी फाउंडेशनचे अध्यक्ष डॉ. उल्हास पाटील, सचिव डॉ. वर्षा पाटील, डॉ. केतकी पाटील, डॉ. वैभव पाटील, अनिकेत पाटील आदींनी याबद्दल आनंद व्यक्त केला.

१२ ऑगस्ट २०२५ राष्ट्रीय ग्रंथपाल दिन उत्साहात साजरा

GF's Godavari College of Engineering येथे राष्ट्रीय ग्रंथपाल दिन उत्साहात साजरा करण्यात आला.

भारताचे ग्रंथालय शास्त्राचे जनक डॉ. एस. आर. रंगनाथन यांना यावेळी अभिवादन करण्यात आले. डॉ. शियाळी रामामृत रंगनाथन हे भारतीय गणितज्ञ, पुस्तकालय तज्ञ आणि भारतातील ग्रंथालय शास्त्राचे जनक म्हणून ओळखले जातात. वाचन संस्कृतीचा प्रसार आणि ग्रंथालयांचे महत्त्व वाढवण्यासाठी त्यांनी आपले संपूर्ण आयुष्य समर्पित केले. त्यांनी मांडलेले "पाच पुस्तक विज्ञान सिद्धांत" आजही भारतीय ग्रंथालय शास्त्राचा पाया मानले जातात.

कार्यक्रमात ग्रंथपाल प्रा. नकुल गाडगे यांनी विद्यार्थ्यांच्या जीवनातील ग्रंथालयाचे महत्त्व अधोरेखित करत सतत शिकत राहण्याची प्रेरणा दिली.

हर घर तिरंगा – हर मन तिरंगा

Godavari College of Engineering & Polytechnic proudly joins the nation in celebrating the spirit of patriotism.

13–15 August 2025

आओ, तिरंगे के रंग में रंग जाएं — हर गांव, हर चौक, हर घर और हर दिल में तिरंगा लहराएं!

14/08/2025

Partition Horrors Remembrance Day

Partition Horrors Remembrance Day was observed at Godavari College of Engineering with deep emotions and respect.

On 14th August 2025, students, faculty members, and staff gathered to remember the immense human suffering caused by the Partition of 1947. The program was conducted in a solemn atmosphere to pay tribute to the countless innocent lives lost and displaced during one of the most tragic events in history.

The event began with an insightful introduction by Dr. Anilkumar Vishwakarma, who highlighted the historical background of Partition and emphasized the importance of unity and harmony in society.

The Principal, Dr. Vijaykumar Patil, delivered an emotional and thought-provoking speech, reminding everyone that Partition was not merely the division of land, but also the separation of

hearts, relationships, and cultures. His inspiring words encouraged all present to pledge that such a tragedy should never be repeated.

A moment of silence was observed in memory of those who suffered during Partition. The program was coordinated by Prof. Velchand Hole and concluded with a collective resolution:

“We are one, and we shall always remain united.”

The observance served not only as a remembrance of history but also as a reaffirmation of the values of peace, unity, and harmony for future generations.

GF's Godavari College of Engineering Celebrates 79th Independence Day with Patriotic Fervor

The campus of GF's Godavari College of Engineering was filled with pride, joy, and the vibrant colors of the tricolour as the 79th Independence Day was celebrated in a grand and spirited manner.

The ceremony began with flag hoisting by Dr. Ulhas Patil, President of the Godavari Foundation, followed by the National Anthem reverberating across the campus. The event was graced by eminent personalities including:

- Dr. Vaibhav Patil (DM Cardiologist)
- Dr. Prashant Warke (Director, GMIR)
- Dr. Vijaykumar Patil (Principal, GCOE)
- Mrs. Neelima Chaudhari (Principal, Godavari English Medium School)

along with dignitaries and faculty members from all Godavari Foundation institutions.

The celebrations were enriched with patriotic songs, speeches, and creative performances by students of Godavari College of Engineering and Godavari English Medium School. Students shared innovative thoughts on Nation Building and the Viksit Bharat Abhiyan, inspiring everyone with their vision for a stronger India.

Principal Dr. Vijaykumar Patil shared thought-provoking insights on building a self-reliant and developed nation, while Dr. Ulhas Patil congratulated the college on entering its Silver Jubilee year and attaining Autonomous Status. He motivated everyone to work towards making India a self-reliant, developed, and powerful nation by 2047.

The dignitaries appreciated the excellent performances and creative presentations by the students, further boosting their enthusiasm and confidence.

Faculty members, staff, and students from Godavari College of Engineering, Dr. Ulhas Patil College of Law, Godavari Institute of Management & Research, Godavari English Medium School, and other institutions participated wholeheartedly, making the celebration a grand success.

03/02/2026

MoU Signed Between Godavari College of Engineering, Jalgaon and Copper Track Industry, Nashik

GF's Godavari College of Engineering has signed a Memorandum of Understanding (MoU) with Copper Track Industry. Under this agreement, students of the Electronics and Telecommunication Engineering Department will receive hands-on industrial training directly from the company.

An industrial visit was organized at Copper Track Industry, Ambad, Nashik. During the visit, detailed discussions were held regarding academic-industry collaboration, leading to the signing of the MoU between Godavari College of Engineering and Copper Track Industry.

As per the agreement, students will receive practical exposure in an industrial environment, which will enhance their technical knowledge and improve their employment opportunities.

On this occasion, Prof. R. V. Patil and Prof. M. N. Patil from Godavari College of Engineering, along with directors and representatives of Copper Track Industry, were present.

गोदावरी अन् कॉपर ट्रॅक इंडस्ट्री यांच्यात सामंजस्य करार

जळगाव : गोदावरी अभियांत्रिकी महाविद्यालय जळगावच्या इलेक्ट्रॉनिक्स अँड टेलीकम्युनिकेशन विभागाच्या व्रीतीय वर्षाच्या ४० विद्यार्थ्यांनी कॉपर ट्रॅक इंडस्ट्री नाशिक येथे औद्योगिक भेट दौरा केला. या औद्योगिक भेटात गोदावरी अभियांत्रिकी महाविद्यालय व कॉपर ट्रॅक इंडस्ट्रीत सामंजस्य करार करण्यात आला आहे. या करारांतर्गत पीसीबी निर्माती, कॉपर ट्रॅक डिझाइन तसेच विविध औद्योगिक विभागांचे प्रत्यक्ष प्रशिक्षण कंपनीतर्फे गोदावरीच्या विद्यार्थ्यांना दिले जाणार आहे. ही भेट प्रा. आर. व्ही. पाटील व प्रा. एम. एन. पाटील यांच्या मार्गदर्शाखाली आयोजित करण्यात आली. उद्योगातील तज्ञांनी यावेळी सर्किट डिझाइन पासून पीसीबी टेस्टिंग पर्यंतची विद्यार्थ्यांना दिली. तसेच शंकाचे निरसन केले. या औद्योगिक भेटामुळे विद्यार्थ्यांच्या ज्ञानात भर तर पडलीच पण सामंजस्य करारामुळे भविष्यात प्रशिक्षण कार्यशाळा व प्रकल्प सहकार्यांच्या दृष्टीने उपयुक्तता सिध्द होणार असल्याचे मत प्राचार्य व्ही.एच.पाटील यांनी व्यक्त केले.

Workshop on Design Thinking, Critical Thinking & Innovation Design

Godavari College of Engineering (Autonomous), through the Institution's Innovation Council (IIC), proudly organized a workshop on "Design Thinking, Critical Thinking & Innovation Design".

GODAVARI FOUNDATION'S
GODAVARI COLLEGE OF ENGINEERING, JALGAON
An Autonomous Institution

Department of Basic Sciences & Humanities
Organizes
Workshop on
Design Thinking, Critical Thinking & Innovation Design

Speaker: Prof. Bhalchandra Vijay Surwade
Assistant Professor (Dept. of Mechanical Engg., GCOE)

Date: 12/02/2026
Time: 10 Am onwards
Venue: Dr. APJ Abdul Kalam Hall

Dr. Lalita Patil Program Coordinator | **Dr. Nitin Bhole** HOD | **Dr. Tushar Koli** Dean Academics | **Dr. Vijaykumar Pa** Principal

Speaker: Prof. Bhalchandra Vijay Surwade, Assistant Professor, Department of Mechanical Engineering, GF's GCOE
Date: 12 February 2026
Time: 10:00 AM onwards
Venue: Dr. APJ Abdul Kalam Hall

This workshop aimed to empower students with creative problem-solving skills, an innovative mindset, and critical thinking abilities essential for future engineers, entrepreneurs, and innovators. Think Different. Design Better. Innovate Smarter.

25/02/2026

Branch-wise Semester I Toppers

Hearty congratulations to our Branch-wise Semester I Toppers!

Godavari College of Engineering & Polytechnic proudly celebrates the outstanding academic achievements of our brilliant students from the Department of Basic Sciences and Humanities.

Your hard work, dedication, and commitment to excellence have brought great pride to the institution.

Wishing you continued success in all your future academic and professional endeavours.

Congratulations once again to all the toppers!

Employability & Domain Skills Training Program Successfully Conducted at GF's GCOE Jalgaon

Godavari College of Engineering successfully conducted a 3-Day Employability and Domain Skills Training Program from 25th February to 27th February 2026.

The program was conducted by Naandi Foundation under the prestigious Mahindra Pride Classroom initiative.

Key Topics Covered

- Self Awareness
- Body Language & Professional Grooming
- English – Language for Career
- Mock Interview Preparation
- Mock Group Discussion
- Professional Ethics
- Effective Speaking

The sessions were highly interactive, activity-oriented, and outcome-based, helping students enhance their employability skills and professional confidence.

Expert Trainers

- Mr. Krishna Burhade
- Mr. Mahesh Chavan
- Mr. Vitthal Pawar

Active Participation from Third Year Engineering Students of

- Computer Engineering
- Electrical Engineering
- Mechanical Engineering
- E&TC Engineering
- AI & DS Engineering

Program Supported By Department T&P Coordinators

- Prof. Velchand Hole
- Prof. Hemraj Dhande
- Prof. Bhalchandra Survade

- Prof. Amit Mahaskar
- Prof. Reshma Attarde

Special gratitude to Dr. Vijaykumar Wankhede (Training & Placement Officer) and Dr. Vijaykumar Patil (Principal) for arranging such a wonderful, structured, and impactful training program within the college premises. The program significantly strengthened students' communication skills, professional etiquette, and interview readiness, preparing them to confidently step into the corporate world.

17/03/2026 Project XPO 2K26

Hearty congratulations to our talented students for their outstanding performance in the National Level Project Competition – Project XPO 2K26.

Project Title

Solar AI Diagnostic (Industrial Level AI Solar Diagnostic System)

Team Members

- Shivam Rajendra Mali
- Bhavesh Harshal Patil
- Megha Laxman Jadhav
- Tejaswini Sandip Mahajan

Achievements

- 4th Prize at Institute Level
- 2nd Prize at Department Level

Your innovation, dedication, and technical excellence have made us proud and inspired many others. Keep striving for excellence and reaching new heights.

Congratulations once again to the team and mentors for this remarkable achievement.

28/03/2026 Phoenix 2K26

GF's Godavari Engineering and Polytechnic College successfully organized Phoenix 2K26, a mega technical event for students on 28 March 2026. The campus came alive with energy, creativity, and innovation.

With the aim of providing students a platform to showcase their hidden talents and technical skills, the event featured a wide range of exciting competitions such as Code War, CAD Guru, Formula Fun, Battle of Brains, Web Craft AI, Poster Presentation, and Shark Tank. More than 700 students from Jalgaon district and nearby areas enthusiastically participated and made the event a grand success.

The program was inaugurated in the presence of Dr. Varsha Patil (Secretary, Godavari Foundation) and Mr. Vinod Patil (Superintending Engineer, MSEDCL, Jalgaon). While addressing the students, the dignitaries encouraged them to focus on innovation, research, skill development, and multidisciplinary learning.

Principal Dr. Vijaykumar Patil highlighted that Phoenix has been conducted continuously for the past 23 years and has played a major role in developing the technical and creative abilities of students.

The winners of various competitions were awarded cash prizes along with trophies and certificates. The prize distribution ceremony was supported by sponsors including Ignite Academy, Passion Software, Kiran Academy Pune, Softed, Electrosoft, and M Soft.

The entire event was successfully organized under the guidance of Principal Dr. Vijaykumar Patil and coordinated by Prof. Devendra Fegade, with the dedicated efforts of faculty members and students.

Phoenix 2K26 was truly a memorable celebration of innovation, confidence, and student talent.

08/04/2026

AI Powered Solution Expo

The Department of AI & Data Science Engineering, under the banner of the Institution's Innovation Council (IIC), successfully organized the event "AI Powered Solution Expo: Demo Days for AI 14.0 Prototypes" on 08 April 2026.

This event served as a vibrant platform for students to showcase their innovative AI-based projects and working prototypes, addressing real-world challenges across domains such as healthcare, agriculture, education, automation, and smart systems.

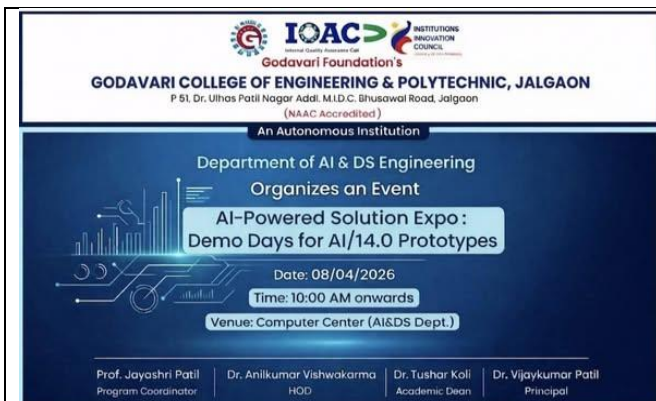

Event Highlights

- Live demonstrations of AI-driven solutions
- Innovative prototypes solving real-world problems
- Technical presentations with detailed explanations
- Expert evaluation based on innovation, feasibility, scalability, and impact

Key Learning & Takeaways

- Hands-on experience in building and demonstrating AI solutions
- Deep understanding of the AI project lifecycle
- Practical exposure to data collection, preprocessing, and model building
- Enhanced skills in Machine Learning, Deep Learning, and Data Analytics
- Improved problem-solving using real-world applications
- Strengthened communication and presentation abilities
- Encouraged teamwork, collaboration, and project management
- Boosted innovation, creativity, and entrepreneurial mindset
- Valuable feedback from experts for project improvement

The event truly reflected the institute's commitment to fostering innovation, research, and entrepreneurship among students, empowering them to become future-ready engineers.

14/04/2026

Celebrating the 135th Birth Anniversary of Bharat Ratna Dr. Babasaheb Ambedkar

Godavari College of Engineering and Polytechnic celebrated the 135th Birth Anniversary of Dr. B. R. Ambedkar with immense pride and enthusiasm, commemorating the life and legacy of one of India's greatest visionaries.

The program was graced by esteemed dignitaries including Principal Dr. Vijaykumar Patil, Polytechnic Coordinator Prof. Deepak Zambre, and Chief Guest Dr. Nayana Zope, Principal of Dr. Ulhas Patil Law College, along with respected Heads of Departments, faculty members, and enthusiastic students.

The session highlighted the remarkable contributions of great social reformers such as Dr. B. R. Ambedkar, Mahatma Jyotiba Phule, and Sant Gadge Baba, inspiring everyone with their dedication to equality, education, and social justice.

Floral tributes were offered as a mark of deep respect, followed by a serene Buddhist Vandana presented by Prof. Nakul Gadage, creating a spiritually uplifting atmosphere.

An engaging Elocution Competition witnessed enthusiastic participation from talented students, showcasing their thoughts and admiration for the great leader.

Congratulations To

- Samiksha Tayade – First Prize
- Shaikh Altamash – Second Prize

In her inspiring address, Dr. Nayana Zope highlighted the values of the Indian Constitution, Fundamental Rights, and the importance of education, encouraging students to walk on the path shown by Babasaheb Ambedkar.

Principal Dr. Vijaykumar Patil motivated students to actively participate in co-curricular activities and make the most of their academic journey.

The program was gracefully anchored by Ms. Kajal Patil and Ms. Dimpal Patil, and efficiently coordinated by Prof. Nakul Gadage.

The event concluded successfully with active participation and wholehearted cooperation from all, leaving behind a message of equality, empowerment, and inspiration.

15/04/2026

From Campus to Corporate: A Roadmap for Computer Engineers

Godavari College of Engineering, Department of Computer Engineering, in association with the Alumni Association, successfully organized an insightful Alumni Interaction Session on:

“From Campus to Corporate: A Roadmap for Computer Engineers”

The session featured proud alumnus Er. Amol Jadhav (Batch 2012), currently working as a Lead Engineer at Apex, who shared valuable industry experience with budding engineers.

Session Highlights

- Step-by-step roadmap to build a successful IT career
- In-demand technical and soft skills for today's industry
- Real expectations from fresh graduates
- Practical insights into real-world projects and challenges
- Smart tips for placements, interviews, and career growth
- Emerging technologies and future opportunities

The session became highly interactive as students actively engaged, asked insightful questions, and gained clarity about their career paths.

This initiative truly helped bridge the gap between academic learning and industry requirements, empowering students to make informed and confident career decisions.

18/04/2026

Workshop on Protecting IPR and IP Management for Start-ups

Godavari College of Engineering successfully organized an insightful session on “Workshop: Protecting IPR and IP Management for Start-ups” under the joint initiative of IEEE Bombay Section, IQAC, and Institution’s Innovation Council (IIC).

The session was expertly delivered by Dr. Vijay D. Chaudhari (Professor, E&TC Department, GF’s GCOE), who shared valuable knowledge on Intellectual Property Rights, patent protection, and strategies for managing innovations in start-ups.

Date: 18 April 2026

Time: 10:00 AM to 12:00 PM

Venue: Dr. A.P.J. Abdul Kalam Hall

The program was coordinated by Mr. Hemraj V. Dhande under the guidance of Dr. Hemant Ingale (HOD & Academic Dean) and Dr. Vijaykumar Patil (Principal).

The workshop witnessed enthusiastic participation from students and faculty members, helping them understand the importance of IPR in innovation and entrepreneurship.

Workshop on Innovation / Prototype Validation & Value Proposition Fit & Business Fit

Godavari College of Engineering & Polytechnic proudly announced an insightful workshop in association with the Institution's Innovation Council (IIC) and IQAC.

Workshop Topic

Innovation / Prototype Validation & Value Proposition Fit & Business Fit

Resource Person

Mr. Sagar Patil

Managing Director, Khandesh Incubation Technology & Entrepreneurship Forum

Event Details

Date: 20 April 2026

Time: 10:00 AM onwards

Venue: A. P. J. Abdul Kalam Hall

The poster is for a workshop organized by Godavari College of Engineering and Polytechnic Jalgaon. It features the college's name and logo at the top, along with accreditation logos for IEEE Bombay Section, IOAC, and the Institution's Innovation Council. The main text reads: 'Godavari Foundation's Godavari College Of Engineering And Polytechnic Jalgaon An Autonomous Institute In Association with Institutional Innovation Council (IIC) & IQAC Organizes a Workshop on Innovation / Prototype Validation & Value Proposition Fit & Business Fit'. The date is 20/04/2026, the time is 10:00 AM onwards, and the venue is A. P. J Abdul Kalam Hall. A resource person, Mr. Sagar Patil, is featured with a photo and his title: Managing Director, Khandesh Incubation Technology & Entrepreneurship (KITE) Forum Jalgaon. At the bottom, four organizers are listed: Prof. Swapnil Mahajan (Program Coordinator), Dr. Atul A. Barhate (IIC Convener), Dr. Hemant T. Ingale (IIC Vice President, Academic Dean), and Dr. Vijaykumar Patil (Principal, IIC President).

This workshop provided a valuable platform for students, innovators, and budding entrepreneurs to understand how to validate ideas, build impactful prototypes, and align them with real market and business requirements.

24/04/2026 Innovation & Entrepreneurship Outreach Program Successfully Conducted

The Institution's Innovation Council (IIC) of GF's Godavari College of Engineering successfully organized an Innovation & Entrepreneurship Outreach Program at Godavari English Medium School on 24 April 2026.

The program aimed to ignite curiosity and foster an entrepreneurial mindset among school students by encouraging them to think beyond conventional learning and explore innovative ideas, startups, and real-world problem-solving approaches.

Dr. Atul A. Barhate (Convener, IIC) delivered an engaging and insightful session, enlightening students about the importance of innovation, creativity, and entrepreneurship in today's dynamic world. His interaction motivated young minds to dream big and take their first steps toward becoming future innovators.

The program was effectively coordinated by Prof. Kishor M. Mahajan, ensuring smooth execution and active participation from students and faculty members.

Students enthusiastically participated, showcasing curiosity, creativity, and a strong desire to learn about emerging opportunities in innovation and entrepreneurship. The session created a lasting impact by planting the seeds of innovation at an early stage of education.

This outreach initiative reflects the commitment of IIC, GF's GCOE Jalgaon, towards nurturing future leaders, innovators, and entrepreneurs who will contribute to society and nation-building.

28/04/2026 AICTE MIC IDE Bootcamp

A moment of immense pride and celebration!

The brilliant students of Godavari College of Engineering secured 1st Rank at the prestigious AICTE MIC IDE Bootcamp Edition 3 Phase II, held at Madhav Institute of Technology and Science.

Competing among 44 teams, the team not only made it to the Top 5 but also emerged as the Ultimate Winner, bringing glory to the institution.

Heartiest Congratulations to Our Star Performers

- Raj Sunil Suryawanshi
- Vivek Chandrakant Thakur
- Nishat Kiran Patil
- Krushna Thombare

Kudos to the Dedicated Mentors

- Prof. Kalpesh Wani
- Prof. Kiran Baviskar
- Prof. Rajnandini Chaudhari

28/04/2026

Lokseva Hakkh Divas Celebrated at Godavari College of Engineering

On the occasion of Lokseva Hakkh Divas on 28th April, Godavari College of Engineering celebrated the day with great enthusiasm to create awareness about citizens' rights and transparent governance.

The program was conducted under the guidance of Principal Dr. Vijaykumar Patil, Dean Academics and HOD of Mechanical Engineering Dr. Tushar Koli, Dean of Research and Innovation and HOD of E&TC Engineering Dr. Hemant Ingale, and HOD of Computer Engineering Prof. Nilesh Wani were present along with faculty members and students.

The program began with an introduction highlighting the importance and significance of Lokseva Hakkh Divas and the Right to Public Services Act, which ensures that citizens receive government services within a fixed timeframe in a transparent and accountable manner.

A pledge was conducted by Librarian Prof. Nakul Gadge, encouraging everyone to become responsible citizens and promote awareness about the right to public services.

On this occasion, students also shared their thoughts through speeches:

- Nidhi Baisane (First Year E&TC Engineering)
- Diya Choudhary (First Year Computer Engineering)

- Jidnyasa Patil (First Year Computer Engineering)

They expressed their views on the importance of Lokseva Hakkh Divas and the role of youth in spreading awareness about citizens' rights.

During the program, Dean Academics Dr. Tushar Koli guided the students and emphasized that engineers should work meaningfully for society, as true service to society is the real service to the nation.

The program was coordinated by Librarian Prof. Nakul Gadge, and the anchoring was done by student Shravani Chopade from First Year Electrical Engineering.

The event witnessed active participation from faculty members and students and concluded successfully.

29/04/2026

Workshop on Raising Capital and Finance Management for Start-ups

Empowering Future Entrepreneurs at GF's Godavari College of Engineering!

Godavari College of Engineering successfully organized an impactful IIC session on “Workshop on Raising Capital and Finance Management for Start-ups”.

The session was delivered by Dr. Chetan Sarode (Associate Professor, Godavari Institute of Management & Research), who shared valuable insights on funding strategies, financial planning, and real-world challenges faced by start-ups. His expert guidance helped students understand how to transform innovative ideas into financially sustainable ventures.

Venue: Dr. A.P.J. Abdul Kalam Hall

Time: 10:00 AM to 12:00 PM

The session witnessed enthusiastic participation from students and faculty members, making it highly interactive and informative. Participants gained practical knowledge about investment opportunities, startup funding sources, and effective financial management techniques.

The program was coordinated by Mr. Hemraj V. Dhande, with strong support from Prof. Hemant Ingale (HOD & Academic Dean) and Dr. Vijaykumar Patil (Principal).

Such initiatives under the Institution's Innovation Council (IIC) continue to nurture innovation, entrepreneurial mindset, and industry readiness among students.

The poster features logos for IEEE Section, IOAC, and Godavari Foundation's Godavari College Of Engineering And Polytechnic Jalgaon. It includes a photo of the speaker, Mr. Chetan Sarode, and details: 'Session on Workshop on raising capital and finance management or start-up', 'Time: 10:00 to 12:00 AM', 'Date: 17/04/2024', and 'Venue: Dr. A.P.J Abdul Kalam Hall'. It also lists the coordinators: Mr. Hemraj V. Dhande (Program Coordinator), Prof. Hemant Ingale (HOD (E&TC) & Academic Dean), and Dr. Vijaykumar Patil (Principal).

Workshop on AI & Research Innovation Successfully Conducted

Godavari College of Engineering & Polytechnic proudly organized an insightful and impactful workshop on:

“Problem Statement Database & Collaborative Research Projects: AI & e-Tools for Researchers” under the aegis of the Institution's Innovation Council (IIC) and Research & Development Activities.

Date: 30 April 2026

Time: 10:00 AM

Venue: Auditorium Hall

The workshop witnessed enthusiastic participation from students and faculty members, creating a vibrant environment of learning, discussion, and innovation. The session focused on empowering participants with the skills to identify real-world problem statements, utilize AI-driven tools for research, and promote collaborative project development.

Session Highlights

- Understanding the importance of problem statement databases in research
- Exploring AI and digital tools for efficient research work
- Strategies for collaborative and interdisciplinary projects
- Practical insights into enhancing research productivity and innovation mindset

The session was expertly conducted by Prof. Reshma Attarde (Assistant Professor, GF's GCOE), whose dynamic delivery and practical approach made the workshop highly engaging, informative, and inspiring for all attendees.

Guidance & Support

The success of the workshop was made possible under the constant encouragement and leadership of:

- Dr. Vijaykumar Patil – Principal & IIC President
- Dr. Hemant T. Ingale – IIC Vice President
- Dr. Atul A. Barhate – IIC Convener
- Dr. Velchand Hole – Program Coordinator

The interactive discussions, hands-on insights, and active participation made this workshop a grand success, strengthening the institute's commitment to research excellence, innovation, and academic collaboration.

Industrial Visit to KITE Forum Organized by Mechanical Engineering Department

The students of the Department of Mechanical Engineering, Godavari College of Engineering, in association with the Institution's Innovation Council (IIC), had an enriching and insightful field visit to the Khandesh Incubation Technology & Entrepreneurship Forum.

During the visit, students gained valuable exposure to the world of innovation, startups, and entrepreneurship. The session proved highly informative and inspiring, as experts shared practical knowledge and real-world insights on transforming ideas into successful ventures.

Key Highlights of the Visit

- Mr. Sagar Patil (Director, KITE Forum) elaborated on the various stages of startup development and the crucial role of incubation centers in nurturing ideas.
- Dr. Yuvraj Pardeshi (Promoter & Director, KITE Forum) guided students on idea generation techniques and identifying innovative opportunities.
- Prof. Shantaram Badgujar (Promoter & Director, KITE Forum) motivated students to think beyond conventional career paths and embrace entrepreneurship.

The interaction sparked curiosity among students and encouraged them to explore innovative thinking, problem-solving, and startup culture.

The visit was successfully coordinated by Prof. K. M. Mahajan, with support from Prof. Pravin Patil.

Overall, the visit turned out to be a highly fruitful and inspiring learning experience, empowering students with knowledge, motivation, and a vision to become future innovators and entrepreneurs
