Educational Qualification : ENGINEER (E&TC)

Date of Birth : 12 May 1978

Blood Group : B+

Mission :

To deliver best services as per the industry/organization requirements using the full potential available.

Current Profile :

- Working as **Asst. Professor** at Godavari Foundation's Godavari College of Engineering, Jalgaon, in the Department of Electronics & Telecommunication Engineering since 20/09/2005.
- **Coordinator**, second shift polytechnic
- **Deputy Director** for Dr. Varsha Patil Institute of Technology, Khirdi, Jalgaon

Subjects Taught:

1. Radiation and Microwave Techniques (Theory & Practicals).
2. Data Communication and Design (Theory & Practicals)
3. Communication System-II (Theory & Practicals).
4. Microprocessor Peripheral and Interfacing. (Theory & Practicals)
5. Electrical Machines (Theory & Practicals)
6. Electrical Machines and Industrial Electronics. (Theory & Practicals).
7. Elements of Electrical and Electronics Engineering. (Theory & Practicals).
- 8.

Languages Known :

English, Marathi, Hindi, Aarabic (Read,Write,Speak)

Education Details :

- Passed B.E . (Electronics& Telecommunication) in June 2000, at Government College of Engineering,Jalgaon with First Class, achieved 60% marks.
- M.E.(Electronics), pursuing.
- Obtained H.S.C. from Nasik Board in March 1996 in Malegaon at the Malegaon High School & Jr. College, secured 74.17% With First Class.

- Qualified Secondary School Certificate Examination with Distinction at JamiatulHuda, Malegaon in 1994. Obtained 85% .

Elective Subjects : * System Programming
* Fibre Optic Communication

Project :
PC based diesel generator monitoring and control system.

Computer Skills :
Operating Systems - DOS, Windows 98, XP, Linux
Languages – C, Visual Basic 6.0

International Certification : Completed a two day workshop on *HIGH IMPACT TEACHING SKILL* from Dale Carnegie on 8th and 9th March 2010

Work Experience :

- Served as Lecturer **in Jamia Polytechnic, Akkalkuwa, Dist. Nandurbar** for two years as Regular lecturer. Subjects taught Are as follows;
Electronic Devices and Circuits
Digital Communication System
Microprocessor
Digital Electronics
Computer Architecture & Maintenance
Communication Systems
- Worked as Hardware **Engineer, software support engineer in Hindustan Computers, Malegaon** for one year. The responsibilities include system administration and software support
- Worked in K.B.H Polytechnic for one year and six months as a Lecturer - "Communication Systems", Computer Organization, PC Architecture & Maintenance

Publication : published a paper in International Journal of Electronics Communication and Computer EngineeringTM, **vol.4 jan 13 issue," Ball Bearing Stacking Automation System."**

Papers/Seminars :
Presented a national level paper " Fuzzy Logic based admission system for GPRS/EGPRS networks. At J T Mahajan College of Engineering, Faizpur

Workshops :

- i) Attended a week long workshop, "Embedded Systems", at Godavari College of Engineering, Jalgaon.
- ii) Three day workshop on "Advance Communications, DSP & VLSI", at SSVPS's BS Deore College of Engineering Dhule. On 26,27 & 28 July 2007.
- iii) One day workshop on "Microcontrollers & Microprocessors", at SSVPS's BS Deore College of Engineering Dhule on 20 April 2007.
- iv) Participated in One day workshop on "DSP & Processors" on 17th July 2008 at SSVPS's BS Deore College of Engineering, Dhule.

v) Participated in a two day Workshop at Shri Suresh Dada Jain College of Engineering, Jalgaon on 15,16 February 2008

Extra Curricular Activities :

- Delivered Seminar on “Radar Systems”
- Awarded in Elocution Contest held at Govt. Engineering College, Jalgaon on the topic “Education System in India in next millennium”.
- Participated in a university level Elocution Contest
- Reading, sports, social services

I hereby declare that the above mentioned information is correct to the best of my knowledge.
