

THAKUR MAYUR PRAKASHSING

ASSISTANT PROFESSOR

OBJECTIVE

To continue contributing to the success of the organization by leveraging my skills and expertise in alignment with its goals and objectives. I seek to further enhance my personal and professional growth through continuous learning and development opportunities, with the aim of making meaningful contributions while advancing my career within the organization

EXPERIENCE

- GFs Godavari College of Engineering, Jalgaon (Assistant Professor in Mechanical Engineering Department):Duration: (August 2016- Present).
-

ACCOMPLISHMENTS

- Working as PG Co-ordinator for Thermal Engineering Course
 - Working as admission Co-ordinator in Mechanical Engineering Dept.
 - Working as IQAC Member
 - Working as M. Tech. and B. Tech. Paper Setter for DBATU Lonere.
 - "Senior Supervisor" for DBATU, University
-

RESEARCH

“Investigation of Heat Transfer Characteristics In Rectangular Duct with Square Rib-Roughened Surfaces”

BOOKS

Published a book entitled, “Sustainable Development ” for Final year Mechanical Engineering students as per DBATU Syllabus, with **walnut publication**, ISBN 978-935911571-9

PAPER PUBLISHED

- National Conference 01
- International Conference 11

Godavari College of

Engineering , Bhusawal Road,
Jalgaon-425003, (MS) India

EDUCATION

2008-2012

SGBAU, Amravati
Bachelor of Engineering in
Mechanical Engineering
69.43 %

2013-2015

RTMNU, Nagpur
Master of Technology in Heat
Power Engineering
74.25%

SKILLS

- Proficiency in fluid flow analysis and the behavior of fluids in various engineering systems.
 - Emerging technologies and innovations in the heat power sector, and integrating them into the organization's systems.
 - Ability to manage resources, timelines, and team coordination
-

SUBJECTS TAUGHT

- ✓ Fluid Mechanics
 - ✓ Heat Transfer
 - ✓ Fluid Machinery
 - ✓ Energy Conservation and Management
 - ✓ Non Conventional Energy Resources
-

FDP/WORKSHOP/STTP: 10
